

## **BENEFITS OF SUMTER COIN CLUB MEMBERSHIP**

### **Enjoyment of a LOCAL Coin Collecting Community**

We are fortunate to live in the epicenter of coin & paper money collecting activity here in South Carolina. Many members feel the best part of belonging to a coin club is the **SOCIAL ASPECT** by meeting other like-minded collectors. In Jan 2026, we have 107 members and average 45 attending each meeting. We all have the “collecting bug” in common and enjoy meeting others in our wonderful hobby. **No experience necessary! Our dedicated club members are the reason for our phenomenal growth success!**

### **SCC MEMBERS-ONLY RAFFLE (“MOR”)**

As a paid SCC club member, your member-numbered ping-pong ball is included in the raffle cage for winning eligibility each month. ONLY MEMBERS have numbered ping-pong balls in this raffle cage. Each monthly prize drawn is worth **\$30 or more**. Just ONE monthly WIN in a year (1 of 12 meetings) would pay you back well over our annual dues (\$20). **PS: You MUST be PRESENT to win.**

Each month our 1.5-hour meetings will include a **10-20 minute** educational program.
